

MONTANA RAISE YOUR VOICE

Building capacity for student organizations in Montana through training, support, resources and a statewide network so that they can more effectively engage their student bodies.

What

- ◆ **Amplify college student voice on important issues**
- ◆ **Increase college student civic engagement on college campuses**
- ◆ **Connect college student efforts to a national student movement**
- ◆ **Increase access to education through campaigns initiated by student governments**
- ◆ **Encourage student governments to serve as resources to one another**

By

- ★ **Bringing college students together to raise their voices during the legislative session**
- ★ **Conducting quality leadership training**
- ★ **Facilitating statewide student conference calls on issues pertinent to college student governments in Montana**
- ★ **Providing a listserv for students to continue sharing successes and challenges throughout the year**
- ★ **Providing student governments with information about The Montana Campus Compact's AmeriCorps Education Award and scholarship opportunities so they can bring them to their students**
- ★ **Providing technical support and resources**
