

## SERVICE SITE NEED STATEMENT *(For Student Teachers ONLY)*

To be completed with the member's advisor or student teaching supervisor.

In order to qualify as an appropriate site placement for the Campus Corps Program a K-12 public school must meet at least **one** of the following need criteria. These criteria and academic areas have been identified both nationally and regionally as areas of critical teacher shortages for K-12 schools. Please check all that apply, complete the section at the bottom of the page, and submit with application materials:

- Title I status
- Free and Reduced Lunch percentages (**greater than or equal to 50%**)
- Student mobility percentages (**greater than or equal to 40%**)
- Minority student percentages (**greater than or equal to 50%**)
- Montana Criterion Referenced Test (CRT) scores (**Greater than 33% of students scoring either Novice or Near Proficient collectively**)
- Student drop-out rates (**greater than 5%**)

**Members may also qualify separately from the site placement** if they are focusing their service in at least **one** of the following specific academic areas:

- Special Education
- ESL/Bilingual Education
- Math & Science Education
