Sites Specific to Members

www.mtcampuscorps.org

The official Montana Campus Corps Member website houses all reporting forms (monthly time logs, quarterly member progress reports, etc), announces program updates, provides access to electronic submission of program documents requirements (Great Story, Volunteer Surveys, etc) and other national service resources.

www.my.americorps.gov

All Campus Corps Members must create a personal account with www.my.americorps.gov prior to enrollment. This site is the official AmeriCorps Member Portal where the Member initiates their enrollment, can request loan forbearance and interest accrual repayments and submits exit information at the end of their term. There are two ways a member can access the Exit Form when they are near the end of their term:

- within 30 days of the end of their term
- the Exit Form can be “unlocked” by the Coordinator or Network Office from eGrants

Sites Specific to Coordinators

<https://egrants.cns.gov>

eGrants is the Coordinator’s window to the AmeriCorps Member Portal. Once an applicant is enrolled into the system from the Network Office, Coordinators will be able to view the Members specific to their campus on <https://egrants.cns.gov>. Once a Member submits time logs that equal or exceed their term minimum, all required exit documents and complete the online Exit Form from my.americorps.gov, Coordinators will be responsible for exiting the Campus Corps Member. If the Member completes their portion of the exit form, the Coordinator only needs to enter two fields to complete the term exit:

- Hours of Service: Total hours served and recorded during the term
- Completion Date: The date a member has completed their term by meeting the minimum hour requirement and submitting all exit documents. *All exit documents should be dated after the last hour of service!*

Coordinators must exit a Member in eGrants within 28 days of their completion date. Please see specific guidance for exiting a member in eGrants.

All MT Campus Corps Coordinator documents and information will be available on www.mtcompact.org. From the Montana Campus Compact homepage, navigate to the Campus Corps specific page by selecting 'Programs' from the menu on the left-hand side of the page. Choose the first option, MT Campus Corps, from the drop down list.

www.americorpscompact.org

This is the official website for time log management. The time log database is a handy tool! Its features expand beyond just time log entry. It provides reminders of Members that are within 30 days of exiting, Members that need a mid-year evaluation and much much more! Please see specific guidance for www.americorpscompact.org website.
